

- **Setting:**

- characters:three friends(two boys and a girl) and a parent of the victim.
- place:coffee shop/park/victim's house/hospital.
- time:November,2021.

- **scénario:**

**First 5Mins:**

- the three friends having fun ( hanging out in a coffee shop, playing cards and chatting,hanging out in the park chatting).
- the three friends went to the mall,got into a clothing shop,the victim chose some clothes to try on,the victim went into the fitting room to try on the clothes,the boy and the girl pulls out theirs phones , opens the camera and starts recording without consent the victim changing in the fitting room without her knowing. The three friends walked out from the shop casually,the victim not knowing what happened.
- the day after,in the morning a notification pops out from the victim's phone. the victim opens her phone only to find naked pictures of her on facebook.shocked,she drops the phone and started crying uncontrollably.later on,she finds herself drowning in a sea of harmful messages(death threats,body shaming,sexual abuse...).
- the victim sitting in the corner of the room in the dark withdrawn into herself crying.
- she hangs herself in her room,"loud knocks on the door,the door is forced open"

**Second 5Mins:**

- the victim at the hospital,the parent talking to the doctor.
- the parent went back home,he finds her phone,unlocks it,checks her social media.he understands why she tried to commit suicide.
- the parent brings the phone to the police station to file a complaint.
- the two friends signed the restraining order received from the police.
- the two friends talking to the principal of their university.
- the two friends expelled from their university.
- after weeks,the victim got her life back in control and is happy again.
